

FREE Total Joint Seminar Care of Arthritic Joints: Shoulders, Hips, and Knees

LEARN WHY OUR PROGRAM IS HEAD, SHOULDERS, HIPS AND KNEES ABOVE THE REST

If you're suffering from joint pain and are considering joint replacement, consider attending this free seminar from the experts at Marin General Hospital.

THURSDAY, NOVEMBER 4
6:30 – 8:00 pm
Hospital Conference Center

We'll talk about state-of-the-art tools and techniques for the diagnosis and treatment of arthritis, and we'll discuss surgical interventions that can help you regain your mobility, and your lifestyle. We'll walk you through what to expect during joint replacement surgery, including anesthesia, the procedure itself, recovery, and rehab.

Registration is required and space is limited – Call Today!
