

MEET THE MIDWIVES OF MARIN

YOU'RE INVITED!

Your Birth. Your Choice. Your Way.

Prima Medical Foundation is pleased to offer a collaborative practice that fully integrates Certified Nurse Midwives (CNM) in the office and hospital setting for all of your prenatal, labor and delivery, and postnatal care. Please join us for a one hour informational meeting where you can meet the midwives. You will learn about their philosophy, which is based on continuous and compassionate partnership, shared decision making, and appropriate use of intervention, medicine and technology. You'll also learn about the comprehensive services available when you choose to deliver your baby at Marin General Hospital.

An optional tour of the Marin General Hospital Family Birth Center will follow the meeting. We encourage you to bring your partners, family, and friends. Light refreshment will be served. No fee or registration required.
